

## Moving forward together since 1971

This year, the STL turns 50! Five decades of innovation, excellence, commitment and success to offer you the best public transit experience. For this special occasion, we will be highlighting the key milestones in STL's history that made it one of the most successful transit authorities in North America.

### **Change to on-request shared taxi service**

As of July 1, you had to call **514 273-2704** to book an on-request shared taxi ride, 30 minutes in advance as usual.

Learn how to use this service at [STLaval.ca/shared-taxis](https://STLaval.ca/shared-taxis)

### **Student OPUS card with photo ID: Book an appointment for August**

As of August 1, students can renew their OPUS card with photo ID by booking an appointment at one of our ticket offices.

Find out how at [STLaval.ca/student](https://STLaval.ca/student)

### **A made-in-Laval tech revolution**

New garage, new technology, new systems, and that's no small feat!

In a new episode of the *Prochain arrêt, un balado de la STL* podcast, learn how our teams are involved in modernizing the STL and public transit electrification in Laval.

You can listen to the French-language podcast at [STLaval.ca/episode5](https://STLaval.ca/episode5) or on your favourite audio platform.

### **No Wi-Fi? No problem!**

Text your bus stop number to **511785** to get real-time bus schedules.
