

Getting the most out of summer with the STL is just common sense!

By offering special rates and preferred access to Laval's attractions, the STL is helping you get ready for summer.

"Make the most of summer with the STL"

David De Cotis
President of the STL's Board of Directors

A LITTLE XTRA MEANS BIG SAVINGS

Back for a third year, XTRA offers reduced fare clients the benefit of travel all summer with the STL. Valid for the months of July and August, this fare is being offered for \$62.50 for two months rather than \$54.50 per month. You can get your XTRA fare between June 20 and July 19 at all the STL's points of sale, the AMT's Laval Metro ticket offices and at Terminus ticket dispensers.

\$1 SMOG DAY FARE

Since 2008, the STL has offered Lavalers the opportunity to leave their cars at home and take the bus when Environment Canada issues a smog warning. This initiative is part of our fight against atmospheric pollution and helps raise awareness among Lavalers about the importance of changing their travel habits. To accomplish this, from June 1st to Labour day, when a smog alert has been issued the STL will offer single fares at \$1 rather than at the usual \$3.25 rate.

THE 360 BUS LINE IS OUR THIRD SUMMER ESSENTIAL

Created in collaboration with Tourism Laval, the Centropolis and its tourist attractions, the Cosmodôme, Carrefour Laval, the Centre Laval and its hotel facilities, the 360 line takes you directly to a broad array of tourist attractions.

Accessible from the Montmorency Metro station, the 360 line will be available 7 days a week from June 25 to August 26.

VIDEOS OF OUR SUMMER ROADWORK

The preferential bus measures (PMB) roadwork has already begun. Visit stl.laval.qc.ca/mpb/ to watch videos by project and to learn more about the work being done.

HAVE A GREAT SUMMER!
