

Travel smarter! Free holiday fares and preferential bus measures (PBM).

On December 24 and 31, the Société de transport de Laval (STL) will be offering free bus service!

"The STL would like to thank you for your support and wish you Happy Holidays!"

David De Cotis
President of the STL's Board of Directors

SEASON'S GREETINGS

The STL's goal is to provide the best possible service to its customers through the implementation of preferential bus measures (PBM), an Open House and many other projects that our employees work hard to bring you every day. We would like to extend our sincerest thanks to all customers who support us day after day by choosing the STL.

Happy Holidays
to you all!

FREE TRAVEL DURING THE HOLIDAYS

Once again, the STL is committed to help prevent drinking and driving because we want all Lavallois to get home safe and sound. In exchange for the free fare being offered on December 24 and 31, you can make a cash donation to the STL's Boomerang Committee.

In collaboration with the Centre de bénévolat et moisson Laval, the Boomerang Committee provides breakfasts for Laval's children in need. Last year, over \$6,500 was raised by the Boomerang Committee. Please give generously!

PREFERENTIAL BUS MEASURES (PBM)

Work on the implementation of preferential bus measures is well underway. In fact, the majority of the work will be done by the end of December. Please note that the work on boulevard Le Corbusier, between avenue Albert-Duquesne and boulevard du Souvenir will be restarting in Spring 2017.
