

IT'S SUMMER TIME!

“ Make the most out of your summer with our special offers ”

David De Cotis
President of the STL's
Board of Directors

The STL is now a vélosympathique™ certified organization!

Throughout the entire summer, all of our buses are equipped with bike racks so you can ride your bike and then take the bus to travel longer distances. Implemented in 2013, the CycloBus program's goal is to encourage cycling in Laval.

This May, this initiative awarded us a Bronze certification from the vélosympathique™ program. This certification highlights the efforts we have made to encourage cycling with our employees and with the community.

™Vélosympathique is a trademark of the Vélo Québec Association. Used under license.

From June 1 to Labour Day, whenever Environment Canada issues a smog alert, the STL will offer a \$1 Smog Day Fare for its regular network of buses on the following day. Implemented in 2008, this policy is the only one of its kind in Canada.

As of June 24, keep an eye out for our new summer schedules so you do not miss anything. Some of the changes include:

- Improved service on the number 65 and 76 bus lines
- Modifications to the bus lines that serve several seniors' residences (lines 101, 106 and 107)
