

FALL BRINGS MANY GLAD TIDINGS

“ It’s back-to-school time; we planned your traveling! ”

David De Cotis
President of the STL's
Board of Directors

Win a year's worth of transport!

Our satisfaction survey is back! Contribute to upping the quality of public transport in Laval. By filling out our survey, you get a chance to win one year's free travel on our network! Hurry; you have until September 13, 2017.

To participate, visit stl.laval.qc.ca/1year

Extension of bus route 45

The route 45 will extend into the Vimont and Auteuil areas thus providing quick access to the Vimont train station, the Industrial Park Centre and the Montmorency metro. This new service offers several advantages; mainly:

- 10 additional weekday rush hour trips
- Over 40 additional weekend trips
- Twenty-minute frequency southbound morning trips and northbound evening trips
- Two-way transfers at the Saint-Jérôme train line
- Weekend service hours extended to 11 pm

Good news for students age 26 and up

Effective September 1, **all full time students regardless of age will be entitled to student fare rates.** You can get a photo OPUS card at one of the two metropolitan ticket offices at the Cartier and Montmorency metro stations.

Download the form to be filled by visiting our website's "Student's Zone".

Assorted news items

- Bus route 24 is now the 8th mobility-impaired accessible route which also accepts onboard, no-contact Visa or MasterCard credit card payment.
- Route 360 resumes its weekend schedule exclusively: Saturdays 10 am to 10 pm and Sundays 10 am to 6 pm.
- In order to reduce wait times, service has been improved on des Laurentides, Notre-Dame, de la Concorde, Cartier and des Prairies boulevards.
- Most of the buses serving the Cartier metro station now run routes allowing transfers to the first and last metro of the day.

Starting August 26, the digital displays outside the bus will no longer display their respective main route arteries. Instead, they will display the name of their respective neighbourhood or end-destination terminus.

For example:

73 Nord — des Laurentides, gare Sainte-Rose et Terminus Séguin

73 Nord — Sainte-Rose
