

New: electric bike-sharing

Some 40 electric bicycles will soon be made available in self-service mode at the **Montmorency, Cartier, de la Concorde and Le Carrefour** terminals. Go electric and go farther; an intelligent and practical way of getting around!

45 minutes for only \$2*. Discover the different packages at bewegen.laval.com

*Must be at least 18 years old. Certain conditions apply.

Free 360 shuttle 7/7 throughout summer!

The 360 shuttle which runs the Laval downtown route free of charge is in service 7 days a week until August 24. Departures every 20 minutes from the Montmorency terminal. Come aboard and take in the downtown attractions with no parking headaches, no fares and ... no hassles!

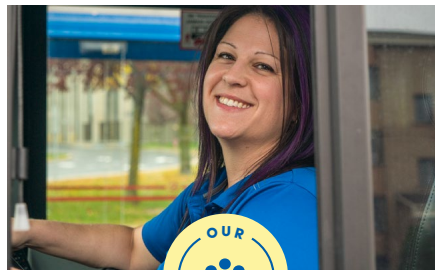

Schedule change

Since June 23, the new summer schedules are in effect. The change includes:

- Service improvement in routes 2 and 45
- Rendering of 2 routes accessible to mobility impaired individuals: routes 2 and 50
- Route 151: end of Perron Boulevard detour. Return to permanent regular service on Curé-Labelle Boulevard.
- Credit card payment to be available on all buses on weekends (effective July 7).

Important: New rates will go into effect starting July 1, 2018. Check the **Fares** section on our website for more information.

Festival season is coming up!

Once again this summer, our drivers will take care of transport in getting you to your favourite events! Over the coming weeks, we will be offering a special transport service for the *Fête Nationale*, the *Festival Diapason* and the *Festival des bières de Laval*.
